**Re:** Changes to the ADHS/DBHS Covered Behavioral Health Services Guide.

---

The following changes have been made to the Covered Behavioral Health Services Guide, effective October 1, 2003. These changes will be posted on the ADHS/DBHS web page in the near future.

1. The entire covered services guide has been revised to incorporate all applicable HIPAA codes and terms.
2. A new appendix, B-3, has been added to serve as a crosswalk between the old service codes and the new service codes.
3. Appendix B-2 has been updated.
4. Appendix B-9 has been removed as the information from this appendix has been incorporated into the text of the guide.

For those maintaining a hard copy of the guide, please print the **entire** guide, B-2 and B-3 to incorporate all the revisions.
